⁷ Sam's Club® Mastercard® cardholders earn Sam's Cash on eligible net purchases (less credits, returns, taxes and adjustments) made with their Sam's Club® Mastercard® account. Rewards percentages depend on the type of purchase made. Sam's Cash is not earned on the following purchases or transactions at Sam's Club or [SamsClub.com](#): cash advances, tobacco and smoking related products (including electronic cigarettes), prescription purchases, reloading or purchases of prepaid cards, gift cards (including third party gift cards), traveler's checks or any cash equivalents. Maximum of \$5,000 in Sam's Cash can be earned in a calendar year. Eligible purchases on multiple Card Accounts for the same Sam's Club member, including business and personal accounts, will be aggregated in determining the \$5,000 maximum Sam's Cash per year. Sam's Cash earned under the Sam's Club Mastercard Rewards Program will be issued and combined with all other Sam's Cash earned under the Sam's Cash Loyalty Rewards Program, within 1-2 billing cycles after being earned. Sam's Cash is forfeited if the Sam's Club® Mastercard® account is not in good standing (i.e., is delinquent) or if the Sam's Club Membership terminates or lapses. Sam's Cash earned will be automatically loaded onto your Sam's Club membership and may be redeemed only at a Sam's Club location or at [SamsClub.com](#).
